Kennebec Valley Humane Society begins a busy summer season with “Adopt A Cat Month”.

AUGUSTA, ME. (May 31, 2011) — Summer is the busiest time of year for the Kennebec Valley Humane Society, which serves 21 area towns and over 3,000 local animals in need every year. During this time the local shelter sees an increase in the number of cats and kittens that are in need of a forever home. To help meet the need for these animals, the shelter will waiving the adoption fee for all cats over 6 months of age. These cats are all spayed/neutered, up to date our routine vaccinations, and waiting for their loving home today.

“While cats and kittens are available for adoption anytime of year, June is one of the busiest months in terms of the number of cats and kittens arriving out our local shelter” says Hillary Roberts, KVHS Executive Director. “By waiving the fee entirely for our adult cats we hope to help even more cats find loving homes during this busy season”.

Roberts says that in addition to a large need for loving homes for animals during the busy summer months, the shelter is also in need of supplies such as dry cat food, dry kitten food, can cat food, and cat litter. “The increased number of cats and kittens in the shelter puts a strain on our resources and we look to our community to help by donating supplies to our shelter, which will directly benefit animals in need. Every donation makes a difference and has a direct impact in helping us to fulfill our mission to provide shelter, food, medical care, and the second chance at a loving home for local homeless animals.”
